Would you like to support AQUA Scans?

Today I have a humble request.

Would you like to support AQUA Scans and you have a paypal account?

Even a single dollar will be of a huge help for us!
Thank you very much!

We are now accepting donations in order to grow as team, we wish to purchase our own raws instead of depend of other teams or the internet sharing sites. At the moment because of some problems with my account, i haven't verified it yet, so the donation button will have to wait a little more but you can send the money to this email
